**WARRATINA
LAVENDER NEWS**

It's All About Mum!

Mothers Day is on Sunday 8th May so make sure you order some beautiful lavender products from our online gift store or drop into the farm's Lavender Cottage Tea Rooms to see the entire collection.

We are always busy on the farm with old plantings being cut back and new areas being prepared for new plantings. Pruning of the lavenders is nearing completion ready for the winter dormant period.

Much work is happening in the homestead garden with cutting back and fertilising preparing for our Open Garden weekend in November. Weed control continues to keep us busy with all the warm weather and great rain falls. The roses continue to bloom as do the colourful salvias.

I hope to see you soon!

Annemarie

MAKE YOUR OWN Lavender Eye Pillow

Materials Needed

- 2 - 3.5 x 8.5 inch pieces of fabric
 - Matching thread
 - 1/4 cup - Dried Lavender
 - 1/2 cup - Organic Flax Seed

Instructions

- With right sides of fabric together, facing each other, stitch 3 sides together leaving one of the smaller ends open
 - Turn right side out
 - Add Lavender and Flax Seed
- Fold fabric ends in for a clean finish and stitch open end together

Tips & Tricks

You may use any fabric - silks, satins, flannels and cottons. Be careful not to overfill, you want these pillows to have a very light pressure while resting over your eyes.

These pillows are very nice to have when you want to take a break and rest your eyes a bit. Lavender is very well known for its calming and stress reducing effects.

If you prefer something cool over your eyes you may place the pillow in the refrigerator before using.

LAVENDER OIL

There's a reason Lavender Oil is so popular...

Blended lavender oil, when used for massage produces a relaxing, calming effect. A few drops of the oil in a hot bath will relieve anxiety and produce a pleasant drowsiness. In a cool bath the oil will refresh and energise. Lavender oil makes a superlative skin or facial oil for troubled skin conditions and gives temporary relief to the symptoms.
