WARRATINA LAVENDER NEWS

Winter Wonderland

Winter is a beautiful time of year at Warratina Lavender Farm. The Yarra Valley can experience pretty chilly weather however it also provides a great location for scenic drives in the country on a cool winter weekend.

Now that our weed control is complete, our winter grasses are mown and roses have been pruned, our gardens have been cut back ready for spring. Summer flowering lavenders remain dormant but the winter flowering Dentata is looking gorgeous – we look forward to seeing you soon at our winter wonderland.
