WARRATINA LAVENDER NEWS

Hello again

Autumn has arrived and the lavender harvest is complete so we are busy visiting shows and craft markets across Victoria. We have several events this month with the highly anticipated Melbourne International Flower and Garden Show at the Royal Exhibition Building and Carlton Gardens from Wed 2 - Sun 6 April, 2008.

We have also re-opened Warratina Lavender Farm's own *Lavender Cottage Tea Rooms* so be sure to visit us as the weather cools for some home-made lavender scones and a hot cup of tea.

Tips and Tricks

Buying Lavender Oil

Only buy lavender oil of the highest quality from a reputable supplier (there are a number of cheaper imitation products on the market).

Ensure that it is sold in a small brown glass bottle labelled 'Pure Essential Oil'. Store your oil in a cool and dark place as heat, light and air can spoil its healing properties.

Essential oils are extremely concentrated and should always be used carefully as most must be diluted before use e.g. massage oil.

If your oil is correctly stored it should keep for several years, but if it is used in oil based mixes it will last for six months.
