WARRATINA LAVENDER NEWS

Welcome warmth!

New growth has already started on the lavender plants in the field and it will not be long before we can see the beginnings of the flower heads we have been waiting all year for.

The gardens at Warratina are looking a real picture and the roses have already formed their buds.

We are busy stocking up on lavender products for the festive season so get in early with your Christmas shopping.

If you are having an end of year function you need to make a booking with us early to avoid missing out!
