## **Our Amenities**

Our beautifully landscaped Homestead Garden is the ideal setting for your wedding ceremony. The wall garden is an integral part of the ceremony area. The garden setting is within the private homestead garden area giving you an exclusively private occasion.

We have ample room to seat up to 100 people during your garden service. The seating area is set up with the package of your choice looking.

An additional marquee can be fully catered for adjacent to the gardens, for the serving of drinks & finger food during the wedding party's photographic session (additional cost)

An outdoor sound system can be provided, for the wedding ceremony. (additional cost)

We provide an ample private parking area and private toilet facilities.

## **Marquee/Hiring**

We recommend the following company for extra marquee hire for catering purposes:

Betta party Hire: Ph: 61 3 9735 5774

Warratina Lavender farm will not be responsible for the marquee hiring for catering

## The Wedding Service Location

Your wedding ceremony will take place within the private Homestead Gardens, with its attractive and colourful manicured gardens.

The Wall Garden within the grounds includes a paved area for the celebrant's table.

Seating for up to 100 people, protected by a marquee for all weathers with or without side walls

## Wedding Photography

We suggest you select your own photographer for this special occasion. You have exclusive access to all areas on the Lavender Farm for your photographic memories.

There are plenty of wonderful locations for wedding photos within our premises.

Photographs can be taken:

- Amongst the lavender in bloom.
- On the old bench seat with its backdrop of roses.
- In the formal Sun Dial Garden.
- By the privately positioned Wall Garden.
- Through the Garden Archway.

Our beautifully maintained gardens provide the perfect Back drop for your wedding photographs.

## Special Requests

At your request, we can provide a bonbonourie gift to your guests, exclusively from Warratina Lavender Farm's product range or a small lavender plant individually wrapped.

We are also able to assist you in answering questions about catering, chauffeurs, celebrants, & florists.

## Entertainment

These items are not included in above charges.

- Either a band of your choice, or a professional Disk Jockey and Hi-Fi sound system.
- Band to supply their own amplification and microphone system.
- Hi-Fi sound system hire for DJ. DJ to supply own music and deck system.

## Catering

If you choose to have your wedding ceremony in the Homestead Gardens, guests can be catered for within a private marquee for the serving of drinks & finger food during the wedding party's photographic session following the ceremony (additional cost).

Wedding receptions at Warratina Lavender Farm will be catered for within a separate private marquee tailored to your wishes and guest numbers.

For your post wedding ceremony refreshments and wedding reception on the Farm, you would be required to outsource hiring & catering companies.

The catering company will be required to remove ALL rubbish, & catering equipment at the end of the event.

## Wedding Reception

*Why travel any further after your wedding ceremony!!*

We can provide the venue for your wedding reception on the Farm. If you choose to be married in another location, no problem, we can still provide the venue for your wedding reception at Warratina Lavender Farm.

Wedding reception prices include full set-up and pack-up so you don't have to worry about a thing on the day or night.

**You are required to organize your own catering company.**

## Security & Time Constraints

If you choose to have your reception at Warratina Lavender Farm we will make sure that all security controls are met within our capabilities. There will be an additional cost for the security officer hired for your safety.

The time of conclusion of the Event will be pre arranged & **MUST** be adhered to by the Wedding Party.
